The Start off of Pot Park.

The Course.

The Finish at Menomonee.

The Fun!

The Harry J Purinton is a 21.4 mile race that begins with a staggered start with the first boat crossing the line at 10:00. The race starts off Pot Park buoys 31-32 and ends at the Menomonee marina break wall. The idea of the start is so that the different class boats will finish closer to the same time allowing us to have a gathering at the end with all involved. Registration is at the SBYC June 7th, 2019 from 6:00 – 8:00pm. The bar and dining room are open to all participants starting at 5:30. This is a fun race for every level of sailor.
