

Sturgeon Bay Yacht Club presents the 9th Annual Green Island Race

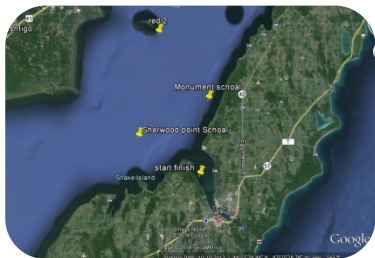

September 7th, 2019

Starting line

Finish line

Course

Fun

The Green Island Race is a 23.3 mile race that begins with a staggered start with the first boat crossing the line at 10:00. The idea of the start is so that the different class boats will finish closer to the same time allowing us to have a gathering at the end with all involved. It also makes for some exciting finishes!

Registration is at the SBYC Sept 6th from 6:00 – 8:00pm. The bar and dining room are open to all participants starting at 5:30. This is a fun race for every level of sailor. For more information contact Griff at Seegriff@gmail.com
